The applicants for the 2010 Scholarship were all very strong and deserving. This caused a great challenge for the Scholarship Committee to choose only 12 recipients!

The 2010 Scholarship Reception Ceremony was held at Dee Richie's house on June 17th. Recipients and their guests were treated to some delicious desserts and coffee. They all had the opportunity to have a picture taken with Major General Conant, Commanding Officer of the 3rd Marine Aircraft Wing and Colonel Richie, Commanding Officer of MCAS Miramar. You can see our recipients and more photos from the Reception Ceremony on the Miramar Officers' Wives' Club Facebook page!!

COURSE

The Monster Dash 10K/5K/1K offers a wide range of terrain on Marine Corps Air Station (MCAS) Miramar. The 10K/5K/1K courses start on the flight line road at the entrance to VMGR, home of our C130 squadron. The course takes all participants alongside our flight line viewing different types of aircrafts along the way (C130, F18, helicopters, and our newest addition, the Osprey). The challenging out-and-back 10K winds up, down, and around our famous fish pond terrain. The 5K, also out-and-back, will not go into the difficult terrain. The Kids 1K Fun Run is designed for those 14 & under who want to be a part of the fun! Finisher medals to all in the 1K non-timed event. Please note: there is a 2 hour time limit on the completion of the 10K Run course.
